The Client

National Bank of Kuwait (NBK Private Bank Ltd)

The Mandate

The National Bank of Kuwait (NBK Private Bank Ltd) is a Swiss Private Bank which has its roots in the Gulf.

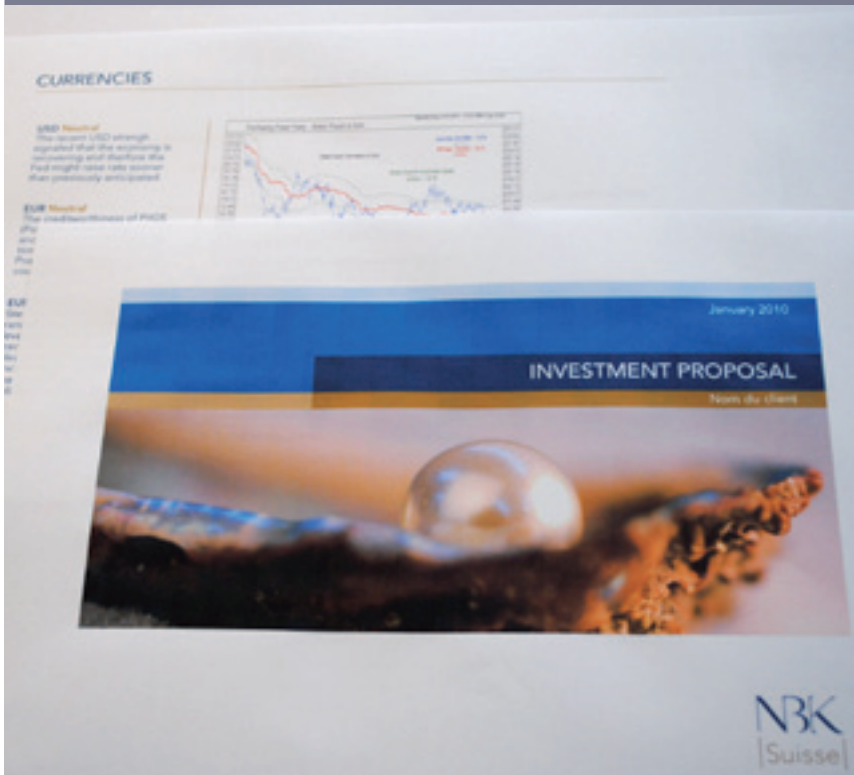

NBK provides highly refined and precisely tailored wealth management solutions.

The Solution

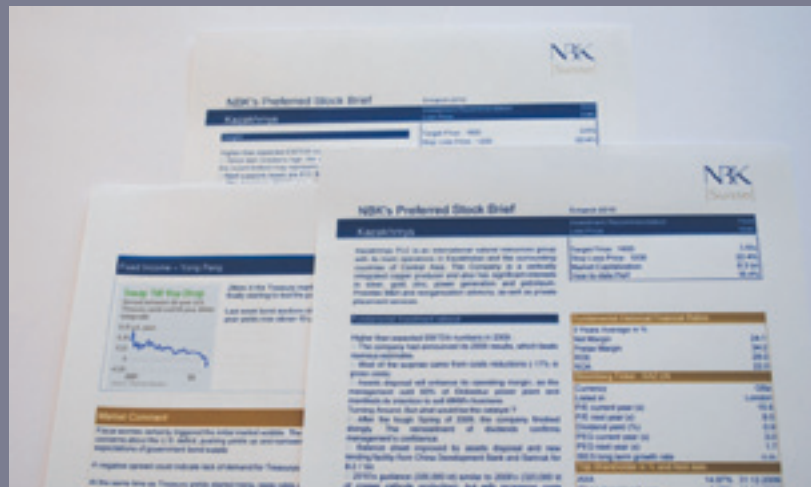

In order to create «in house» presentations of investment strategies, Epure has developed a template library made of different applications such as PowerPoint, Excel, Word.

This allows NBK to gain efficiency and to respect the corporate identity.

Power Point Library

Templates Weekly Report

Templates Weekly Report

The Services

- > Corporate Identity for template documents
- > Weekly Report
- > Investment Proposal
- > NBK's Preferred Stock Brief
- > Fixed income securities list

Creative Design

Dans l'approche créative d'Epure, la fonction donne tout son sens à la forme.

Nos compétences en matière de communication visuelle, de gestion de marques et développement web nous permettent d'offrir un conseil neutre et pertinent.

Expérience
